

106 - PUSH-ON

Thermoplastic constant pressure hose for low pressure air and water line up to 20 bar (290 psi)

FEATURES

Inner Tube

Polyurethane

Reinforcement

One braid of synthetic fiber

Cover

Polyurethane - Black - laser branding

Applications

Low pressure air and water line - Free of paint affecting substances
- LABS free

Features

Polyurethane tube and cover for high flexing giving long service life - Abrasion resistant cover for optimum wear resistance - Push on fitting assembly without crimping.

Description

Low pressure air and water line suitable for high flexing applications.

Temperature Range

-40 °C to +80 °C (-40 °F to +176 °F)

Available black as standard; also available in blue, red, green, and yellow.

Standard Branding
